

The Chalmers Automobile Newsletter

Published by the Chalmers Automobile Registry, © 2005

This 2004 spring newsletter includes the annual membership list. Welcome aboard to four new members, Don Azevedo, John Senn, John Manifor, and Richard Manifor. A special note to all members: please review your address and car information and let me know if changes or corrections are needed. This will help maintain an accurate and correct database of surviving Chalmers automobiles.

The Chalmers Automobile Registry database currently consists of 124 cars (or major parts) and 114 owners (105 U.S., 4 England, 2 Canada, 1 Germany, 1 Netherlands, and 1 South America). Presently there are 65 active members, with 76 cars (or major parts), that subscribe to this newsletter.

FOR SALE: None.

Because of my recent Alzheimer's diagnosis, I have chosen Joe Alackness, a member since 1996, to replace me as the Chalmers Automobile Registry registrar. He has two 1915 Chalmers automobiles.

That's all for now and I hope you enjoyed the 10 years of newsletters and I promise to take care of myself with the help of my nurse wife.

I hope you find the membership list useful. It is provided for your convenience and assistance in Chalmers enjoyment. Please pass on your questions, comments, and other information. E-mail and address for Joe Alackness are included in the attached membership listing, and good luck to Joe.
