

The Chalmers Automobile Newsletter

Published by the Chalmers Automobile Registry, © 1997

This newsletter features the Chalmers Automobile Registry Membership List. The list has grown substantially through the efforts of Walt Anderson (#3) and his association with the Horseless Carriage Club of America. My database of Chalmers automobiles now contains the following:

Total Chalmers cars ¹	93
Total Chalmers owners	77
Owners/Chalmers cars in the United States	73/88
Owners/Chalmers cars in England	2/3
Owners/Chalmers cars in Canada	2/2
Chalmers cars in the Registry	44
Chalmers owners ² in the Registry	36

Notes: 1. Includes incomplete cars with major components.
 2. All 77 owners have been contacted but 33 have not replied yet.

During the Hershey Fall Meet I had the pleasure to meet and visit with the following members:

Bob Dare (#20),
 Walt Penrod (#18),
 Bob Valpey (#17),
 Harold Overton (#2),
 Terry Wansac (#5), and
 Al Shaw (#25).

It was a real pleasure to chat with each of you.

Those of you that requested the CMC patches should have gotten them by now. I hope they arrived safely, if not, send them back and I will replace them. I have a good supply remaining and, if you have not ordered yours yet, they are still available for the same deal, \$3 and a SASE for a blue-red pair.

That's all for now; please pass on your comments and any new information for the next newsletter.
